Name and surname: *Email:* *Permanent address:*	*Date of birth:* *Or Personal ID:* *Personal ID card number:* *Secondary personal ID card name and number:*	*Agent signed:*

The principal hereby grants power of attorney to all the agents (approvers) listed above to represent for:

- Submitting and approving applications for qualified web authentication (QWAC) certificates.
- Obtaining a digital equivalent of the corporate seal, stamp or official signature to create corporate website authenticity.
- Executing the agreement to issue QWAC certificate and the terms and conditions of the use of the QWAC certificate issued. Also applicable to QWAC PSD2 certificate alternative.
- Submitting and approving applications for other types of SSL certificate for the company of the principal.

QWAC and other SSL certificates will be issued through I.CA's Registration Authority seated at the registered office of I.CA.

* Optional

[1] The agent must be a person other than those authorised in the Power of Attorney for the Periodicity Approval. Date of birth must be provided if the Agent and the Certificate Applicant are the same person. One year is the minimum validity for the proofs of identity of the empowered persons.

This power of attorney's authorisation is only valid as long as the original agreement and the relevant amendments are valid.

The power of attorney must be certified (by a notary, or also a Czech POINT office in the Czech Republic) or electronically signed with qualified eIDAS-compliant electronic signature by all principals (they must be listed on the copy of the company's entry in commercial register, to be sent along with the Agreement) and agents.
